Govt College Bahadurgarh

Lesson Plan 1st sem Geography

Name of the Assistant / Associate Professor:- Pardeep kumar

Class and Section:- B.A. 1st semester SEC- B

Subject Lesson Plan:- (From july 15, 2025 To November,2025)

Months		Theory	Practical
July-august		Unit-1 Nature and scope of physical geography;	map design and cartographic techniques;
September		Unit-2 Geomorphic processes (endogenetic and exogenetic forces);	map;classification of maps;
October		Unit-3Classification of landforms (first, second and third order);	Map scales: statement scale,
November		Unit-4 (Denudational processes: weathering, erosion and mass wasting;	trigonometrical stations.

Govt College Bahadurgarh

Lesson Plan 5th sem Geography

Name of the Assistant / Associate Professor:- Sajjan kumar

Class and Section:- B.A. 5th semester

Subject Lesson Plan:- (From july 28,2025 To November,2025)

Months		Theory	Practical
July-august		Unit-1 Nature, scope and relationship of economic geography	Principal of map design and layout
Septetember		Unit-2 World natural resources	Symbolization: point, line and area symbol
October		Unit-3(Spatial distribution of food	Lettering and toponomy
November		Unit-4 (Classification of mineral resources)	Mechanics of map construction

Lesson Plan 3rd sem Geography

Name of the Assistant / Associate Professor: Vinod kumar

Class and Section:- B.A 3rd semester (minor)

Subject Lesson Plan:- (From july 28, 2025 To November,2025)

Months		Theory	Practical
July-august		Unit-1 Climate;	Weather instruments, temperature measurements
Sepetember		Unit-2 Factors affecting climate	Humidity measurements , pressure measurements
October		Unit-3 Climatic Elements	Line graph, bar graph, climograph, Hythergtaph
November		Unit-4 Wind	Isotherm , Isobars

Lesson Plan 3rd sem Geography

Name of the Assistant / Associate Professor: Vinod kumar

Class and Section:- B.C.A 3rd semester

Subject Lesson Plan:- (From july 28, 2025 To November,2025)

Months		Theory	Practical
July- august		Unit-1 Weather and Climate;	Weather map , weather symbols
Sepetember		Unit-2 Weather observation ;	Isobaric system of map
October		Unit-3 Elements of weather map interpretation, application	Indian daily weather report and interpretation
November		Unit4 Weather forecasting in India	Interpretation of daily weather map

Govt College Bahadurgarh

Lesson Plan 1st sem Geography

Name of the Assistant / Associate Professor:- Suman Hooda

Class and Section:- B.A. 1st semester SEC- A

Subject Lesson Plan:- (From July 15, 2025 To November, 2025)

Months		Theory	Practical
July-august		Unit-1 Nature and scope of physical geography;	map design and cartographic techniques;
September		Unit-2 Geomorphic processes (endogenetic and exogenetic forces);	map;classification of maps;
October		Unit-3 Classification of landforms (first, second and third order);	Map scales: statement scale,
November		Unit-4 (Denudational processes: weathering, erosion and mass wasting;	trigonometrical stations.
